

## Resources to assist with the study of China

### Education and Training Library

There are many resources on China available for borrowing from the Education and Training Library. Browsing and ordering online is available at <http://www.det.nt.gov.au/teachers-educators/curriculum-ntbos/support-materials/libraries-resources>.

### Engaging in Language and Culture: China (Online 10 week moodle course)

Developed by Darwin Language Centre this is a 10 week introductory course to the language and culture of China. The course is designed for delivery using an interactive whiteboard. It houses a myriad of interactive resources, short movie clips and printable resources. If you would like access to the course contact [linda.white@ntschoools.net](mailto:linda.white@ntschoools.net)

### Asia Education Foundation

The Asia Education Foundation has a number of China related online resources available for use across all Key Learning Areas. These resources can be found at <http://www.asiaeducation.edu.au>. There are a number of units of work related to China which can be downloaded from [http://www.asiaeducation.edu.au/for\\_teachers/curriculum\\_resources/countries/china\\_cr/china\\_resources.html](http://www.asiaeducation.edu.au/for_teachers/curriculum_resources/countries/china_cr/china_resources.html)

### Snapshots of Asia (China Big Book and Teachers Guide)

This book is an excellent way of introducing China to lower and middle primary students. It includes full-colour photographs, fact files, board games and stories of daily life. These capture the distinctive physical and cultural aspects of living in China. The accompanying teacher guide contains classroom activities designed to develop reading, writing and listening skills, and blackline masters. Available from the NT Education and Training Library

### Global Education

This website provides teachers with resources that support the integration of a global perspective across the curriculum. It provides teachers with country profiles, information on current global issues, teaching tools and links to global projects online. The website can be found at <http://www.globaleducation.edna.edu.au/globaled/page1.html>.

### Languages Online

Languages online has free language learning resources and objects for students wishing to learn a little mandarin.
