

## Resources to assist with the study of East Timor

### Education and Training Library

There are some resources on East Timor available for borrowing from the Education and Training Library. Browsing and ordering online is available at <http://www.det.nt.gov.au/teachers-educators/curriculum-ntbos/support-materials/libraries-resources>.

### Asia Education Foundation

The Asia Education Foundation has a few related online resources available for use across all Key Learning Areas. These resources can be found at <http://www.asiaeducation.edu.au>.

### Global Education

This website provides teachers with resources that support the integration of a global perspective across the curriculum. It provides teachers with country profiles, information on current global issues, teaching tools and links to global projects online. The website can be found at <http://www.globaleducation.edna.edu.au/globaled/page1.html>.

### Building a Nation: The East Timor Story

This teacher's pack highlights the contemporary issue of nation building through a study of East Timor. Students learn about East Timor's history, its present day culture and situation, and about the processes of governance and implementing positive change. This resource is available from the Education and Training Library.

### Timor-Leste Curriculum Unit No 1

#### Connecting with Timor-Leste

A unit of work developed by the Friendship School Project. The goal of the unit is to make a connection and to build sustainable cultural bridges and understandings between Australia and Timor Leste. The unit aims to establish a commitment to ensuring successive generations of students and members of the school community are informed about and actively engaged with the culture, language and circumstances of the people of Timor-Leste.
