

Resources to assist with the study of Japan

Education and Training Library

There are many resources on Japan available for borrowing from the Education and Training Library. Browsing and ordering online is available at <http://www.det.nt.gov.au/teachers-educators/curriculum-ntbos/support-materials/libraries-resources>.

Engaging in Language and Culture: Japan (Online 10 week moodle course)

Developed by Darwin Language Centre this is a 10 week introductory course to the language and culture of Japan. The course is designed for delivery using an interactive whiteboard. It houses a myriad of interactive resources, short movie clips and printable resources. If you would like access to the course contact linda.white@ntschoools.net

Asia Education Foundation

The Asia Education Foundation has a number of Japan related online resources available for use across all Key Learning Areas. These resources can be found at <http://www.asiaeducation.edu.au>.

Snapshots of Asia (Japan Big Book and Teachers Guide)

This book is an excellent way of introducing Japan to lower and middle primary students. It includes full-colour photographs, fact files, board games and stories of daily life. These capture the distinctive physical and cultural aspects of living in Japan. The accompanying teacher guide contains classroom activities designed to develop reading, writing and listening skills, and blackline masters. Available from the NT Education and Training Library

Global Education

This website provides teachers with resources that support the integration of a global perspective across the curriculum. It provides teachers with country profiles, information on current global issues, teaching tools and links to global projects online. The website can be found at <http://www.globaleducation.edna.edu.au/globaled/page1.html>.

Japan Foundation

The Japan Foundation supports teachers and students with the provision of units of work, lesson ideas, resources and competitions. For further information please see <http://www.jpf.org.au>

Kids Web Japan

This is a great website for primary aged students for all things Japan. It is regularly updated and covers introductory topics such as geography, sports, arts, language and current trends.
