

Resources to assist with the study of Malaysia

Education and Training Library

There are some resources on Malaysia available for borrowing from the Education and Training Library. Browsing and ordering online is available at <http://www.det.nt.gov.au/teachers-educators/curriculum-ntbos/support-materials/libraries-resources>.

Asia Education Foundation

The Asia Education Foundation has a number of Malaysia related online resources available for use across all Key Learning Areas. These resources can be found at <http://www.asiaeducation.edu.au>.

Snapshots of Asia (Malaysia Big Book and Teachers Guide)

This book is an excellent way of introducing Malaysia to lower and middle primary students. It includes full-colour photographs, fact files, board games and stories of daily life. These capture the distinctive physical and cultural aspects of living in Malaysia. The accompanying teacher guide contains classroom activities designed to develop reading, writing and listening skills, and blackline masters. Available from the NT Education and Training Library

Global Education

This website provides teachers with resources that support the integration of a global perspective across the curriculum. It provides teachers with country profiles, information on current global issues, teaching tools and links to global projects online. The website can be found at <http://www.globaleducation.edna.edu.au/globaled/page1.html>.
